Public Works was not able to complete the emulsion application during July due to the weather. Therefore, they hope to complete the application this month. Please be sure to watch your area for signs. We appreciate your cooperation while this maintenance is being completed.

Economic Development:

The Town of Southey has entered into a rental agreement with Mewasin Business Forms Plus Inc. ("Mewasin") effective August 1, 2021. Mewasin will be renting the building located at 127 Keats Street (previously the Co-op Grocery store).

The Town of Southey has received a deposit from the RCMP for a commercial lot in the new commercial subdivision. We will be working directly with RCMP Asset Management to complete the lot purchase. The new facility will be a project funded and completed by the Government of Canada.

Garbage, Recycling and Green Bins:

Bins are to be put out by 7:00am on the morning of scheduled collection. Bins are to be rolled back onto owner or occupant property no later than 12:01am of the day following collection.

Please ensure all garbage is bagged inside the bin.

For acceptable recycling items, please see our website.

Grass clippings and yard waste should only be put into the Green Bins.

Development Permits:

The Town of Southey requires development permits to be completed for many day-to-day projects such as: fences and renovations. They are also required for a change of use of property (ie. restaurant to retail outlet). As well, home-based businesses are a Discretionary Use as per our Zoning Bylaw. A development permit is required and Council approval of the home-based business prior to starting the business.
