#### **Public Works:**

As we begin to prepare for the upcoming winter weather, we would like to remind residents of our snow removal process. During times of imminent snowfall, our Public Works staff are normally out early to begin clearing snow. This process ensures Keats Street, the school bus route, the paved portion of Tennyson and Highway 99 (if required) are immediately cleared. Public Works staff use their best discretion to continue clearing all other town streets. *If at all possible, please try to avoid parking on streets when Public Works staff is completing snow removal.*
